[2016 ecbi Regional Training Workshop for Anglophone Africa](#)

The 2016 European Capacity Building Initiative (ecbi) Training and Support Programme Workshop for Anglophone Africa was held on 14-15 September 2016 in Dar es Salaam, Tanzania. The workshop was organised in collaboration with ecbi's regional partner, Institute for Environment, Climate and Development Sustainability (IEDS), with the aim of building capacity and skills for negotiators in Anglophone Africa. It brought together 32 government representatives from the region.
